**It's back-to-school time again**, and NFCC is collecting new backpacks and school supplies to provide low-income children in our community with the tools they need to succeed academically.

Last year NFCC distributed over 1,100 new backpacks filled with school supplies to children living in North Fulton. This year, we anticipate the need to continue as families in our area struggle to make ends meet.

## HOW YOU CAN HELP

- **Donate**  
New backpacks and school supplies.  
Financial donations are needed to fill school supply shortages and to help fund the event.
- **Volunteer**  
Opportunities are available for groups and individuals ages 13 years and older at varying times and days.  
Volunteers are needed for sorting and filling backpacks and distribution activities.
