# GOVERNMENT BENEFITS SCREENING AND PROCESSING

## PREPARING FOR YOUR SESSION

To process your SNAP (food stamps), Medicaid or WIC application, you need to provide the following documents for yourself and others in your household included on your application:

1. Official government photo identification: proof of who you are, such as a driver's license, ID card, passport
2. Social Security cards
3. Proof of US citizenship, such as a birth certificate, US passport or hospital record
4. Immigration records for persons who are not US citizens
5. Proof of ALL income for the last 4 weeks, including child support, SSI, Social Security, pay stubs, money from a roomer or boarder, VA retirement, any pension payments
6. Bring copies of household expense bills: rent, utilities, medical, etc.
7. Proof of residence, such as proof of rent or house payment, for example, a current lease or payment book statements.
8. Any unpaid medical bills from the past 3 months (for Medicaid)

Additional documents may be required by DFCS. During your interview your case manager will tell you what other documents you need to provide. We can upload any additional documents required.

## PROBLEM RESOLUTION: PENDING APPLICATIONS, STATUS UPDATES OR DENIALS

North Fulton Community Charities works in partnership with the Georgia Department of Family and Children Services (DFCS) to provide initial screenings and application processing for public benefits.

We do not have direct access to DFCS' system updates.

If your application has already been submitted to DFCS, please contact your caseworker, your county DFCS office, or call 1-877-423-4746.

If you have questions about a letter or a missed appointment, call the Customer Care number at 1-877-423-4746.
