

2023 Warm Coats

Once the temperatures start dropping, it's time to start thinking about NFCC's annual Warm Coat Drive. Every year, NFCC distributes over 3,000 items including coats, jackets, hats, scarves and gloves. Warm Coats helps alleviate the financial burden of seasonal purchases for families in need, especially as record high inflation continues to affect our community. With your help, we can keep local families warm this winter!
