NFCC's Impact Sponsorships provide direct support to critical programs and services, which operate year-round. These programs remove barriers for families and individuals in need to help them get back on their feet. Your sponsorship will help cover the cost of ongoing expenses that keep these programs running smoothly and effectively, ultimately contributing to the long-term success of families and the community at large.

SPONSOR LEVELS

\$10,000 - Adopt a Classroom

Support one class of English language students (up to 75 students) for one year, including a qualified instructor, books, materials, curriculum, and childcare. Learning English empowers students to communicate more effectively, increases educational attainment, and improves employability and wage-earning potential that leads to long-term stability. Classes are not only a place where a language is learned, but students also create a community, where they form bonds and rely on each other for everything from creating friendships to job leads.

- Organization name and logo posted outside classroom door for one year
- Logo and recognition on electronic lobby signage in both buildings for one year
- Two 30-minute speaking presentations to students
- Social media (9,800 distribution) and e-newsletter recognition (12,000 distribution)

\$5,000 – GED Graduation (Exclusive)

Help provide everything needed for a graduation ceremony to help NFCC's GED graduates and their families celebrate their incredible accomplishment. Sponsorship covers dinner, program, invitations, photos, music, décor, entertainment, and a special gift for the graduate. By earning their GED and building their job skills and confidence levels, students are empowered to reach their goals of accessing higher education, better employment options and higher wages, leading to long-term financial stability for the entire family.

- Organization logo and name on electronic lobby signage in both buildings for six months
- One 5-minute speaking role during graduation ceremony
- Recognition in printed event program
- Social media (9,800 distribution) and e-newsletter recognition (12,000 distribution)

\$3,000 – Pack the Pantry

Many families tell us that the hardest thing they have done is to ask for help to feed their families. Your support can help to eliminate tough choices for thousands of local families - buy groceries or diapers? Pay for food or laundry detergent this month? By providing these essentials at no cost, families can reallocate those saved funds to other household expenses, like rent, mortgage or utilities. Last year, 3,918 families received food and essential household supplies at no-cost. Join us to help ensure everyone in our community has access to the foods they need to stay nourished and healthy! Sponsorship will support the purchase of food, essential household goods and operating costs to keep the pantry doors open.

- Organization logo and name on electronic lobby signage in both buildings for six months
- Social media (9,800 distribution) and e-newsletter recognition (12,000 distribution)

\$2,000 – Support Education

Did you know that NFCC offers a wide variety of day and evening classes and workshops, in addition to our English classes? Participants can sign up for digital literacy classes, GED tutoring, resume writing or interview skills workshops, career or financial coaching, or attend our job fair or a job networking support group. By sponsoring at this level, you can ensure all individuals making strides toward a better life receive the wraparound support they need to succeed. Funds will cover the costs of essentials that support individuals investing in themselves, such as childcare during classes, workshops, and food, snacks, coffee and water to keep the energy level high while working hard to achieve their goals.

A sponsorship at this level will support one semester, or three months of classes.

- Logo and recognition on lobby signage in both buildings for three months (quarterly)
- Signage placed at coffee stations in both buildings for three months (quarterly)

\$1,000 – Provide Essential Clothing to Families

Our Family Choice program supports families' bottom line by allowing eligible families to choose clothing, shoes and accessories each month from our Thrift Shop inventory. The most requested items for this program are new pajamas, socks and undergarments, especially for children, which do not get donated very often. Your support at this level will help to provide new pajamas, socks and undergarments to local families in need. When families can access these items at no-cost, more of their household budget can go toward essential expenses like rent, mortgage and utilities.

- Logo and recognition on lobby signage in both buildings for three months (quarterly)

\$500 – Empower Job Seekers

Long-term economic stability for the families we serve depends on access to educational and professional opportunities. This sponsorship level will add valuable resources to the Workforce program's E-Learning Library, or facilitate a professional speaker series for job seekers. Providing participants with access to no-cost education helps sharpen their edge in the competitive job market, which promotes career advancement and educational attainment for the student and sets the entire family up for financial stability and multigenerational economic mobility.
