IMPACT SPONSORSHIPS

\$5,000- NFCC JOB FAIR

Help support over 200 job seekers in the North Fulton community, who are looking for new career opportunities. Our Workforce Development Program brings in over 25 organizations who are on hand to share job openings, conduct or set up job interviews with candidates to help them further their career advancement. Sponsorship of this event not only helps to create a career path for individuals but contributes to the long-term stability of North Fulton families. A sponsorship at this level will include:

- Organization logo and name on electronic lobby signage in both buildings leading up to event
- Recognition on printed materials, signage at event
- Premiere booth location at Job Fair event
- Social media* and e-newsletter recognition*

\$5,000 – PACK THE PANTRY- EAST ROSWELL

To better serve families in East Roswell, we recently opened a new satellite food pantry location, bringing fresh produce and essential groceries closer to the community. The grand opening welcomed more than 100 guests, highlighting both the excitement and the growing need for accessible food resources. Sponsorship will support the purchase of food, essential household goods and operating costs to keep the pantry doors open. A sponsorship at this level will include:

- Organization logo and name on electronic lobby signage in both buildings for 3 months
- Social media* and e-newsletter recognition*

IMPACT SPONSORSHIPS

\$1,000 – PROVIDE ESSENTIAL CLOTHING TO FAMILIES

Our Family Choice program supports families' bottom line by allowing eligible families to choose clothing, shoes and accessories each month from our Thrift Shop inventory. The most requested items for this program are new pajamas, socks and undergarments, especially for children, which do not get donated very often. Your support at this level will help to provide new pajamas, socks and undergarments to local families in need. When families can access these items at no-cost, more of their household budget can go toward essential expenses like rent, mortgage and utilities.

- Logo and recognition on lobby signage in both buildings for 1 months (quarterly)

\$500 – EMPOWER JOB SEEKERS

Long-term economic stability for the families we serve depends on access to educational and professional opportunities. This sponsorship level will add valuable resources to the Workforce program's E-Learning Library, or facilitate a professional speaker series for job seekers. Providing participants with access to no-cost education helps sharpen their edge in the competitive job market, which promotes career advancement and educational attainment for the student and sets the entire family up for financial stability and multigenerational economic mobility.
