BEYOND NFCC

North Fulton Community Charities GED Graduate Scholarship

North Fulton Community Charities (NFCC) has a scholarship fund to assist NFCC GED graduates with attaining post-secondary education. Post-secondary education includes institutes of higher learning programs nationally accredited and recognized by the United States Department of Education. Scholarships are awarded to current or past NFCC GED graduates with support from our charitable donors. The NFCC GED Graduate Scholarship Committee selects and agrees on the top applicants based on the COMPLETION OF APPLICATION requirements.

The NFCC GED Graduate Scholarship is designated for post-secondary educational expenses such as tuition, college fees, books, supplies and laptops, and does not have to be repaid. All scholarships are paid to the institute of higher learning; no funds or refunds are paid directly to scholarship applicants. If students awarded scholarships withdraw from the institute of higher learning, the scholarship fund is refunded to North Fulton Community Charities.

Please note that applying for a NFCC GED Graduate Scholarship does not guarantee being selected to receive a scholarship. It is a competitive process, so NFCC GED graduates must be certain to complete the **Application** and **Financial Aid Form** thoroughly, answer the **Essay** questions thoughtfully, check for spelling and grammatical errors, and agree to a **Phone Interview** with an NFCC manager.

The NFCC GED Graduate Scholarship application is distributed to current and past NFCC GED graduates. GED Graduates may apply twice a year by completing the application process and requesting a dollar amount based on other awards of financial aid.

If you have received a previous NFCC Ged Graduate Scholarship, you must reapply, understanding there is no guarantee that applicants will be awarded the NFCC GED Graduate Scholarship again. In addition, you will need to submit an **Enrollment Letter** indicating you are in **Good Academic Standing** within your program of study.

The NFCC GED Graduate Scholarship application deadline is November 25, 2026.

NFCC GED Graduates and GED students who plan to graduate by December 7, 2026, and enroll in a post-secondary education can apply online for NFCC scholarships by visiting www.NFCChelp.org and completing and uploading the electronic Application, the Financial Aid Form, and the 300 – word Essay, and Enrollment letter if reapplying.

Scholarship recipients will be notified and awarded NFCC GED Graduate Scholarships by email.

Please send scholarship-related questions or requests for information to wkuehl@nfcchelp.org or call 678-387-4473.
